Find Out How to Attend

1. Ask your teacher
2. Call Carol Morgan
at 509-525-3531
3. Ask at the WW YWCA
4. Visit aauw-wallawalla.org

KEYNOTE SPEAKER

Erika Marín-Spiotta

Erika will tell us about her adventures in the Brazilian Amazon, Costa Rica, Panama, Venezuela, and Puerto Rico studying tropical forests, the soils below them, and how humans have been changing their environment for thousands of years.

She will share how studying forests and soils can help improve the health of our planet and all the life on it.

Gran Exploraciones
